Zemin kayma katsayısı belirleme cihazı
Slip coefficient determination device

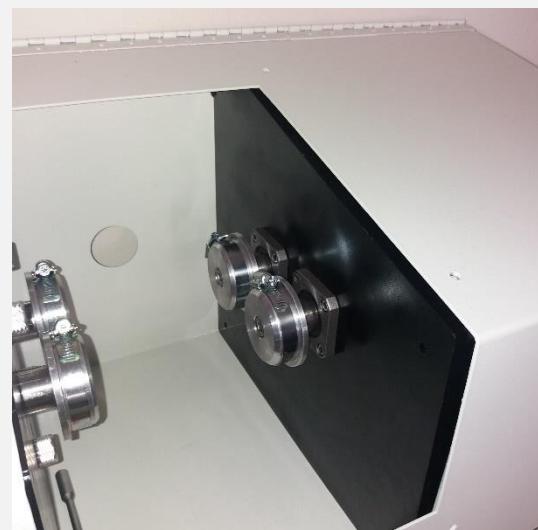

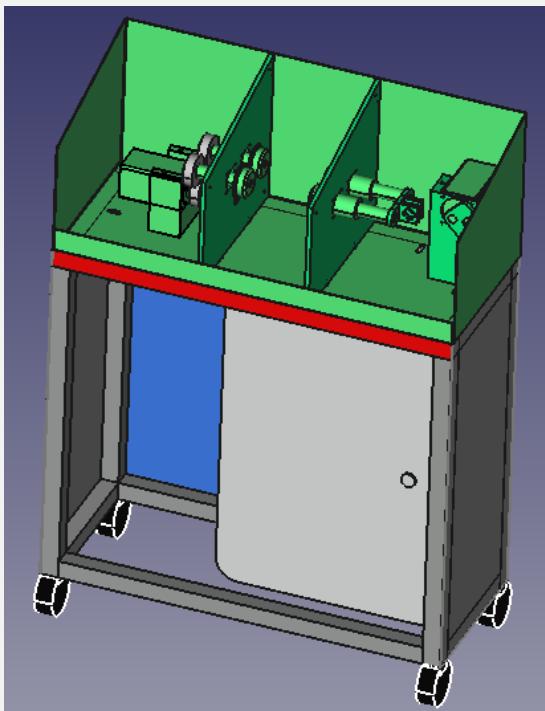

Test ve Üretim Ekipmanları

Testing and Production Equipments

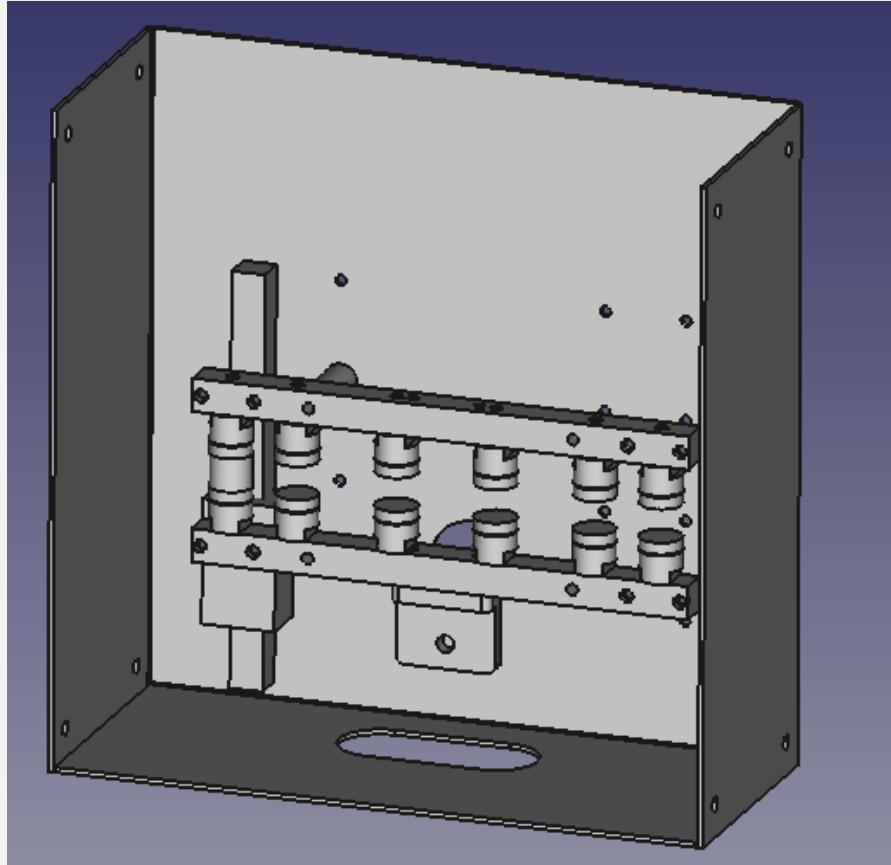

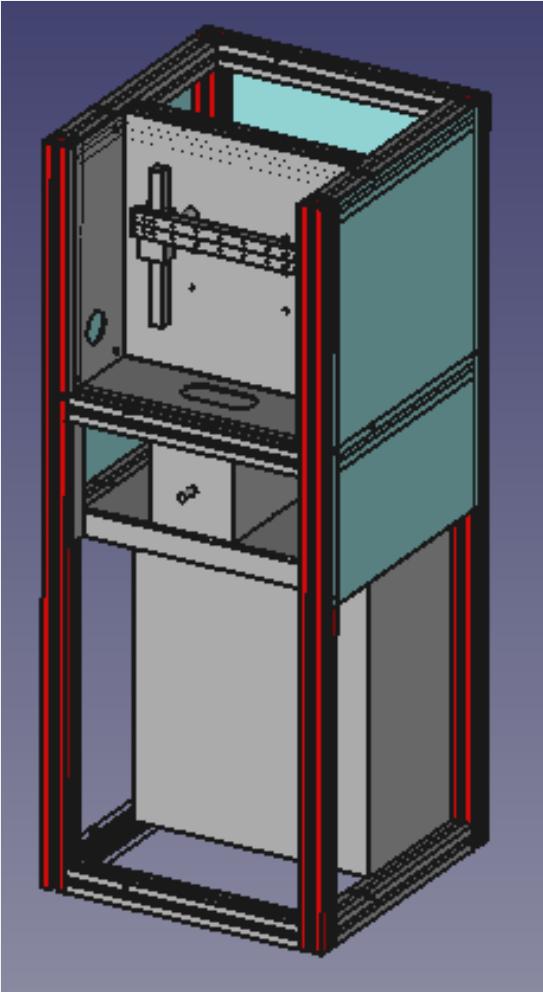

+80°C/-40°C
2 kafalı yatay flexometre
2 head horizontal flexometer

Test ve Üretim Ekipmanları

Testing and Production Equipments

+80°C / -40°C
6 kafalı dikey flexometre
6 head vertical flexometer

Test ve Üretim Ekipmanları

Testing and Production Equipments

+80°C / -40°C
8 kafalı flexometre
8 head flexometer

Test ve Üretim Ekipmanları

Testing and Production Equipments

Enerji dağılımı
test cihazı
Energy dissipation
test equipment

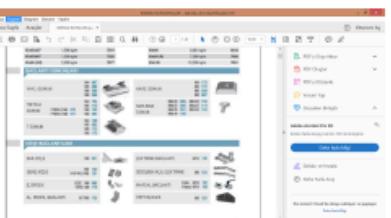

R14 test cihazı
test equipment

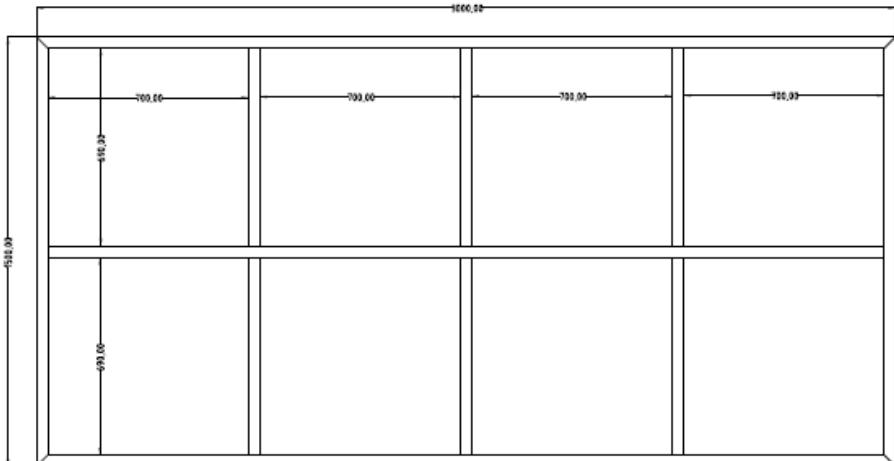

Test ve Üretim Ekipmanları

Testing and Production Equipments

40 x 40 hafif seri 8 kanal sigma profil
Yapılacak adet 1

40 x 3 mm Alüminyum lama
Yapılacak adet 26
Delikler Ø 8,5

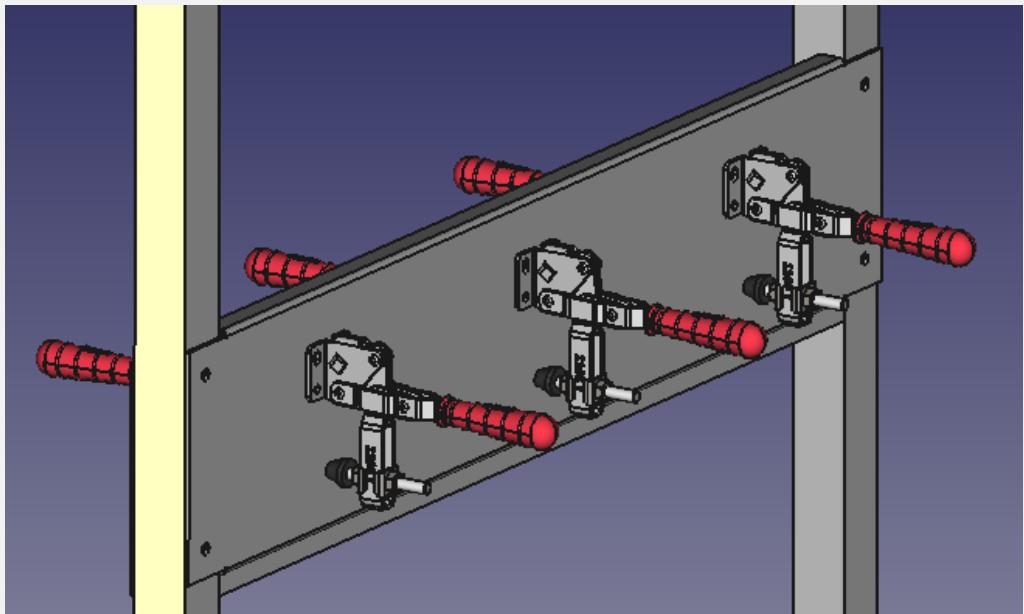

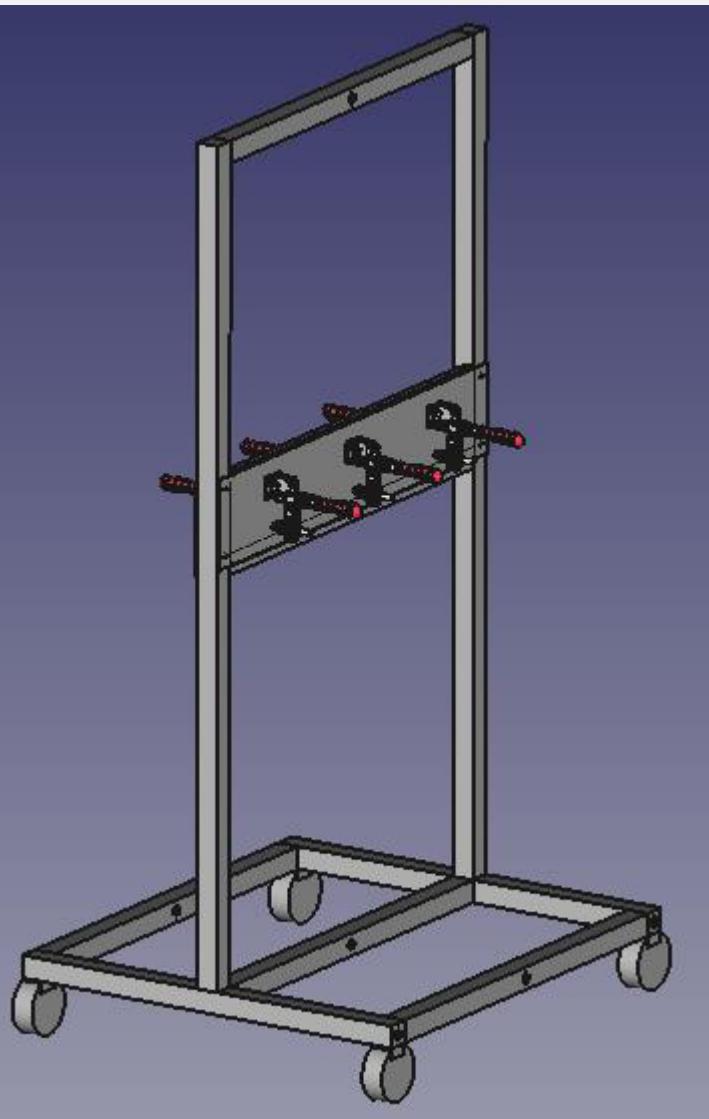

Dış ortam test aparatı
Weathering test apparatus

Test ve Üretim Ekipmanları

Testing and Production Equipments

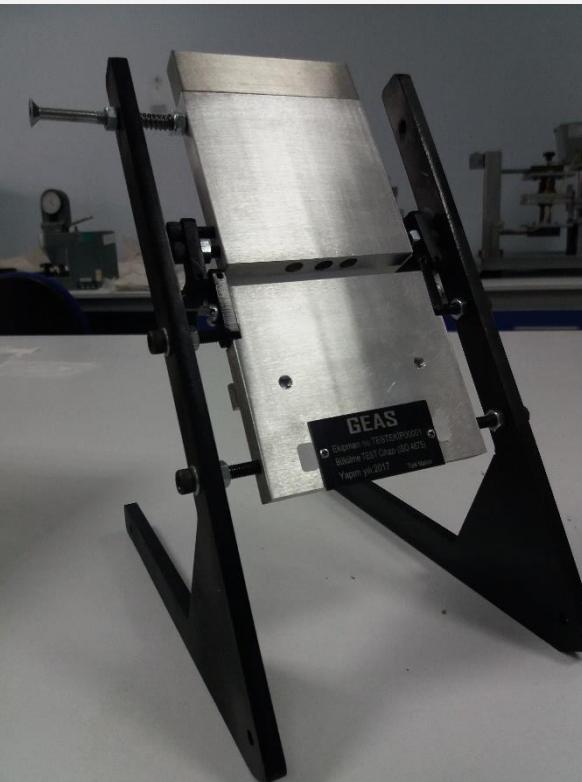

Uzama katsayısı tespit cihazı
Coefficient of extension detection device
